

EPSON®

EXCEED YOUR VISION

Epson Stylus Photo **R1900**

Print durable photos and album pages on various media up to A3+

Create amazing albums, full-size scrapbook pages and professional glossy photos up to A3+ at high speed, and on a wide range of media. Images are vibrant and long lasting with the new Epson UltraChrome™ Hi-Gloss2 ink.

Print and share superb photos with the Epson Stylus R1900. Give quality, colour and flexibility to your hobbies and crafts and make use of the creative potential of the wide range of media and formats up to A3+. Achieve more life-like colours and skin tones with the new 8-colour Epson UltraChrome Hi-Gloss2 ink.

Whether you print borderless photos or design entire album pages, your precious creations will last a lifetime. You can even print onto CDs and straight from your digital camera.

Superb quality photos – achieve a stunning finish with Epson UltraChrome Hi-Gloss2 ink

Ideal for albums and scrapbooks – add creativity to your hobbies and crafts with this versatile, high-speed photo printer

Enhanced skin tones – the 8-colour ink set includes orange ink for even more life-like colours on portraits

Versatile media and finishes – print on glossy, matte and fine art media up to A3+, and even roll paper

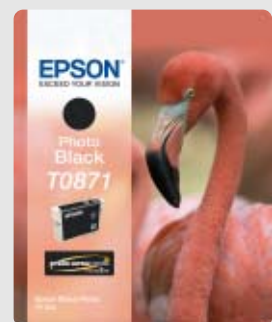

Professional print quality – includes Epson LUT technology for optimised gradation, graininess and constancy in colour

No PC required – print photos directly from your PictBridge-enabled digital camera or photo viewer

Personalised archives – share and store photos, albums and other digital files on directly printable CD/DVDs

Key benefits:

- Achieve a high-gloss finish with Epson UltraChrome Hi-Gloss2 ink
- Supports fine art media and roll paper
- Enhanced connectivity with Dual USB port and PictBridge
- Print efficiently with 8 individual ink cartridges
